

## MINES AND MINERAL RIGHTS INSURANCE QUOTATION FORM

All questions should be completed to the best of your knowledge. Under the Insurance Act 2015 it is your responsibility to disclose all material information in order to make a 'fair presentation of the risk' to insurers.

This must involve a 'reasonable search' including consultation with senior management or any colleagues that may have knowledge of your business so that all matters can be identified which may affect the decisions of the insurers.

Failure to answer any questions in the quotation form accurately or to make a 'fair presentation' could affect your policy cover and may lead to claims not being paid, not paid in full, additional terms applied or even the policy being avoided from inception or may result in us being unable to provide a quotation.

All forms should be signed by the appropriate person applying for this Insurance. If you have any queries in the completing of this form, please contact us.

If required, there is a supplementary page at the end of this form for any additional information you need to provide us.
