ONE BROKER AMBULANCE KEEPING YOU ON THE ROAD

We know your business is like no other, providing a unique mix of services to the healthcare sector. That's why we tailor your insurance to your business – arranging comprehensive protection at a competitive price.

One Broker Ambulance is a specialist scheme designed for a specialist sector. We can arrange a wide range of policies, so whether you're providing blue-light, repatriation, patient transfer or medical event coverage, we can help.

Not only that, but our experienced team can tailor insurance to meet your needs. And if your situation changes, we can explain how that affects your insurance and update your cover accordingly, so you're always protected.

We'll also review your insurance every year to make sure you have the most suitable cover. And if something goes wrong, our Claims team is on hand to guide you through the claims process.

- A variety of activities covered.
- Policies available from leading insurers.
- Wide range of insurance products available.
- Optional extras on offer.

We've got a lot of confidence in One Broker – and with Rob in particular – so we're starting to move more policies across to them"

As a Broking Executive within the One Broker Ambulance team, Rachael's role involves processing insurance renewals, answering day-to-day policy enquiries and handling new business enquiries.

Rachael.Rodden@onebroker.co.uk

One Broker provides independent insurance broking services to businesses and individuals throughout the UK. Whether you face standard risks or something more complex, we can source a wide variety of insurance products, tailoring them to meet your unique needs.

Since 2009, our personal, expert approach has set us apart from the competition. Now that we are part of Jensten, we have more than 700 highly skilled employees providing our client-focused services from 5 offices in Norfolk, Suffolk Cambridgeshire and Essex, giving you more support than ever before.

From specialist schemes for independent ambulance companies to policies for unusual properties, we're dedicated to putting the right protection in place. We take the time to get to know you and your circumstances, before seeking the appropriate policy. We'll communicate with you along the way, answering your questions

honestly and openly. And if the worst happens, our in-house Claims team is on hand, working with you and your insurer to manage your claim.

As an independent Commercial Insurance broker, our service is underpinned by our people, who build long-standing relationships with market-leading insurers. These partnerships allow us to develop the right policies for your standard and emerging risks, while handling your claims efficiently and effectively.

Contact us to discuss specific levels of cover and how we can tailor our packages to your individual needs.
