HOME INSURANCE

DESIGNED TO PROTECT YOUR
BUILDINGS AND CONTENTS

Your home is so much more than bricks and mortar. Whether it's your castle, your sanctuary, your investment or all of these and more, getting the right insurance protection is vital.

Our experienced team has arranged Home Insurance for many years, covering homes of all shapes and sizes. Unlike online comparison sites, we take time to get to know you and your home, so that we can find bespoke cover that meets your needs.

- Independent insurance broker
- Policies available for listed properties and those in conservation areas
- In-house Claims team

We can arrange Non-Standard Home Insurance for a wide range of properties. From self-built homes to lighthouses and everything in between.

KEY COVERS

BUILDING INSURANCE

Protection for the fabric of your building, including walls, roofs and ceilings.

CONTENTS INSURANCE

Protection for the contents of your home, covering the cost of repairs or replacements.

ACCIDENTAL DAMAGE

Covers the cost of repair or replacement of items within your home if they are accidentally damaged.

TRACE & ACCESS COVER

Cover towards the cost of finding a leaking pipe and making good any damage caused along the way.

LOCK AND KEY COVER

If your keys are lost or your locks are damaged, this policy will cover the cost of replacement.

RENT/ALTERNATIVE ACCOMMODATION

Covers the cost of alternative accommodation if your home is uninhabitable due to an insured event.w

OWN A HIGH-VALUE HOME?

We understand that your home and insurance requirements are unique and unlikely to be covered by standard policies. Our dedicated Private Clients team will work with you to define appropriate levels of cover for your buildings and contents, ensuring that valuable items are protected.

- Bespoke service
- Contents available as a standalone policy
- Cover for valuables outside the home
- Efficient claims service

One Broker group provides independent insurance broking services to businesses and individuals throughout the UK. Whether you face standard risks or something more complex, we can source a wide variety of insurance products, tailoring them to meet your unique needs.

Since 2009, our personal approach has set us apart from the competition. With more than 100 highly skilled employees based at offices across Norfolk and Cambridgeshire, we're able to serve both local and national clients, providing a personal service every time.

From specialist schemes for private ambulance companies to policies for unusual properties, we're dedicated to putting the right protection in place. We take the time to get to know you and your circumstances, before seeking the right policy at the best price. We'll communicate with you along the way, answering your questions honestly and openly. And if the worst happens, our in-house Claims team is on hand, working with you and your insurer to manage your claim.

As a Top 40* independent commercial insurance broker, our award-winning service is underpinned by our people, who build long-standing relationships with market-leading insurers.

These partnerships allow us to develop comprehensive policies and schemes for standard and emerging risks, while handling claims efficiently and effectively.
