

# STUDENT TRAVEL INSURANCE

If you run or own an English language school providing courses to overseas students, One Education (in partnership with Ortus Underwriting) can help protect your business.

We offer two products – Commercial and Group – where insurance is offered to the student either as part of the total course cost or as an optional extra.

Benefits include:

- Medical expenses cover (inc. coronavirus & mental health benefit) up to £10,000,000
- Cancellation, Curtailment & Course Fees up to £7,500
- Personal Belongings of up to £2,000
- Personal Liability of up to £2,000,000
- Personal Accident of up to £25,000.

All we need to provide a quotation is a simple fact-find document completed and your claims history.
