

Tailored Home Insurance

The Internet has revolutionised the way in which people shop for goods and services. However it's not the solution for everything and when it comes to protecting high value properties and your most treasured possessions, it's no substitute for personal service.

“Brokers of Distinction”

Here at One Broker we have been providing tailored insurance solutions for our private clients for over 20 years. Our dedicated Private Clients team will take their time to understand your priorities and lifestyle, so that they can offer a policy to meet your individual requirements.

One Broker are a 'top 100' UK Independent Insurance Broker who have built an enviable reputation for delivering a consistently outstanding level of customer service. It's a business made up of people who are friendly, bright and energetic. We make no excuses for being passionate about what we do and this passion is reflected in our dealings with our customers.

We have access to all of the UK's leading mid/high net worth Insurers, offering a wide variety of policies.

If you want a professional and personal ‘advice driven service’ that’s not via a call centre or based upon the ‘one size fits all ’principle, then we would love to hear from you.

“Providing a first class claims service to our clients”

In the event of a claim, many Brokers simply pass their clients directly over to Insurers, offering little in the way of support. At One Broker we take a completely different approach. We recognise the importance of providing a first class claims service to our clients. Our team of expert Claims Technicians are there to guide you through the process and achieve the very best outcome on your behalf.

Our achievements in this arena have been widely recognised; in 2010, at the UK Broker Awards, we won the ‘Claims Service of the Year’ award and in 2012 achieved ‘Broker Customer Care Initiative of the Year’ at the Insurance Times UK Claims Excellence Awards.
