- 1 Please complete all questions fully. You must take reasonable care to answer all questions honestly and to the best of your knowledge, and if you volunteer any other information, you must ensure that the information is not misleading. If any information that you have provided to us changes before you take out your insurance, during the life of the policy or at renewal, you must inform us of the change. If you deliberately, recklessly or carelessly misrepresent any information in relation to this insurance then your policy may be cancelled without refund, or treated as if it never existed, or your claim rejected or not fully paid.
- 2 The information you supply in this form and any additional information supplied to us prior to the insurance commencing will be used to base your insurance cover on.
- 3 If you need more space for any of your answers, please submit on a separate piece of paper or send by email with this form.
- 4 You are not insured until a written quotation has been provided and we accept your instructions to proceed with the cover. A full policy wording will be supplied promptly upon inception of cover or on request.
- 5 We recommend you keep a record of all information and correspondence provided to us for your future reference.
